**CITY OF SILETZ & CONFEDERATED TRIBES OF SILETZ INDIANS – WATER & SEWER AGREEMENT – DISCUSSION**

Mayor Worman opened the Work Session by addressing the City Councilors on his discussions he has been having with the Assistant General Manager, Lisa Norton from the Tribe. Both the Mayor and Ms. Norton would like both Councils to start re-reading through the “Draft Agreement” done by the Tribe and outline key subjects that could take the most time for both sides to come to an equal and fair agreement for both entities and the Community Members.

After extensive discussions, it was decided that time would be set aside for Work Sessions to go over the “Draft Agreement” page by page to make additions, corrections and etc.

The City Councilors would like to have a working “Word” version on the “Draft Agreement” to make the additions and corrections. City Recorder T. Viar will reach out to Ms. Norton about this request.

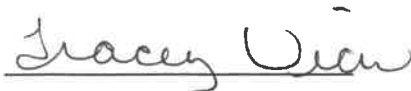

**ADJOURNAMENT**

The City Council Work Session meeting was adjourned at 7:00pm.
